

Arabic Language Institute for Non-native Speakers Celebrates Graduation of Two Batches

A special ceremony was held by the Arabic Language Institute for Non-native Speakers on Sunday 11th December 2011 to celebrate two graduating batches.

The event was graced with the presence of KAU President, HE Prof Osama S. Tayyeb, and Chancellor of the University of Technology Malaysia, (UTM), Prof Zaini Ujang.

Addressing the audience, Prof Tayyeb stressed the importance of teaching Arabic to non-native speakers using the latest teaching methods.

According to Dr Yasser Babtain, the Institute's Vice Dean, 70 participants have benefited from the offered programmes so far.

A total of 24 students have joined an all-female programme currently being held at the Institute, Dr Babtain added.

One of the participants, Mustafa Mayer, from South Africa, praised the programme and the efforts made by academic staff involved.

I need info about Institute (Tuesday, December 13, 2011)

Dear sir,

Really there is great boost for non-arabic speaker. So, please send me details about the institute and place where is this course conducted.

thanks and regards
